I first met Erica when she was in Middle School. She was an excellent student; always the first with the correct answer. She always volunteered to go above and beyond. Erica's dedication to always doing her best was evident from the moment that I met her.

**Daniel Borrelli**

I was Erica's teacher from Middle School until she graduated from High School. Her creativity and leadership showed through again and again over the years. She was a student who could be counted on.

**Keith A. Focht**  
Special Education  
Supervisor

By the time she was in High School, I was so impressed with Erica's work that I invited her to help me teach group piano classes in the evenings. I mentored her in the art of teaching for years in a real teaching environment as we worked side by side in group piano instruction. She was an excellent pupil and an excellent teacher.

**Michael L. Bower**  
Business Manager

I know that Erica had a very positive experience in her days of attending MS and HS and I also know that she graduated at the top of her class when she was a senior. As an adult, Erica has served as a substitute at Halifax for two years. She knows our school and our programs well.

**Allen L. Whitteker**  
Director of Buildings  
& Property

As a teacher for almost 20 years, I am ever conscious of continuing the tradition of excellence into the future and I know Erica will be a positive attribute to your district. Please consider Erica Womer in your search for a Middle School Language Arts teacher.

Sincerely,
